

FIAT 130 COUPE - 3.2 - MANUAL ZF 5 SPEED

Beautiful very "dark red" 1973 Fiat 130 coupe - type 130BC. With the matching and undamaged orange velours interior. Power comes from 130B000 - V6 engine - 3235 cc with two belt driven overhead camshafts producing 165 hp. And attached to a optional and very desirable five speed ZF manual gearbox (dogleg).

This particular car was delivered by Fiat Hispanica SA Barcelona to the first owner, a company called Nutrexpa SA in Barcelona (specialised in food, chocolate and honey founded in 1940) and was driven by its directors from 1973 until it was sold to the 2nd owner in 1989. Who lived at the Rambla de Catalunya in Barcelona. And in 2006 the was sold the the last owner who cherished and serviced the car until 2016. With the car is a full file of invoices, lettres and orders. Several of them make notice of the kms of the car. So we can confirm that the 55.550 km are correct and genuine. That reflects in the quality of the interior.

The Fiat 130 coupe was a large six cylinder executive car produced from 1971 until 1977. During this period 4294 coupe's were built. Both exterior and interior styling are the work of Paolo Martin at Pininfarina. The won a design prize in 1971. With the following options as standard equipment: power steering, power windows, adjustable seats, four wheel disc brakes, adjustable steering column, double air horn, air conditioning and lots of extra clocks. And a nice set of Cromodora alloy

CAR CAVE

wheels.

Beside its Pininfarina design and its luxury interior the car was praised for its excellent handling and road holding for a car of its size, smooth ride, powerful and very revving engine very high standard in interior and comfort and its enormous boot.

If you are looking for a rust free Fiat 130 coupe with a full owner history, a provable low mileage on the odometer and an clean and undamaged interior this is the one to have. Car comes with a full set of original books, leaflets and tools.
