

PORSCHE CAYENNE PLATINUM EDITION

PORSCHE CAYENNE PLATINUM EDITION 3.0 V6 TDI

Our Cayenne is equipped with a 3.0 V6 tdi EURO 6 engine. This extremely reliable power source delivers 262HP and 580 Nm of torque. This in combination with its automatic 8-speed gearbox makes this cayenne a solid and sporty SUV. The Porsche is equipped with air suspension and adaptive shock absorbers (PASM), which ensures high comfort and sublime driving behavior. Thanks to its platinum package, the car is well equipped with options, just to name a few: - Bi-color fuller interior - Aluminum + high-gloss black finish - bose music system / high-end sound system - 20 "RS Spyder Design rims - Electric seat adjustment with memory package - Seat heating - Multifunctional steering wheel - Paddle shifters - Dynamic lights - Climatronic - Air suspension + PASM - Voice control - Cruise control - Porsche Car Connect - ... Full option list available on request.
