2013 Porsche 991 50 Year Edition with just 23.491 km

We are selling a stunning 2013 Porsche 911 (991) S 50 Jahre Edition, a rare and highly collectible tribute to half a century of the iconic 911. Limited to just 1,963 examples worldwide, this exclusive model is presented in all-original condition and has only had one careful German owner since new. This 50 Jahre Edition stands out for its unique blend of classic Porsche design and modern engineering. The wider Carrera 4 bodywork gives it an impressive look on the road, despite its rear-wheel drive. The Fuchs-inspired 20-inch wheels, finished in matt black with polished details, are reminiscent of the timeless style of early 911 models. At the rear, the distinctive chrome-finished retro grille is a nod to Porsche's rich heritage, while the '50 Jahre' badge subtly marks exclusivity. The interior is a perfect balance between nostalgia and sophistication. The Pepita houndstooth seat inserts, a direct reference to early 911s, contrast beautifully with the premium leather trim. The green numbered gauges enhance the vintage feel, while the brushed aluminium trim and special edition badges reinforce the rarity. Under the hood, the 3.8-liter flat-six engine delivers an exhilarating 400 horsepower, paired with either a precise manual gearbox or the lightning-fast PDK transmission. Equipped with Porsche Active Suspension Management (PASM), the Sport Chrono
